**NARRATIVE:**

Moss has an extensive adult criminal history that began at the age of 19. His convictions include robbery, exhibiting a firearm, attempted first degree burglary, burglary, several petty thefts with priors, receiving known stolen property, false identification to peace officer, sale of marijuana, soliciting lewd acts, several cases for possession of controlled substances, violation of probation, violation of parole and failing to report. He has served multiple state prison terms the longest a 4 year term for burglary. Moss was released from state prison to the supervision of the Los Angeles County Probation Department on September 27th, 2013. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in June 2014 after he absconded from post release community supervision (PRCS). Moss qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for petty theft with priors is defined as non-serious and non-violent under the California penal code. His prior criminal history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
